

PRESS RELEASE

M.Sc (Regenerative Medicine) course to start in 2013

***Two-year course in affiliation with Tamilnadu Dr. MGR Medical University
by Nichi-In Centre for Regenerative Medicine (NCRM)***

11 July 2013, Chennai; The Tamilnadu Dr. MGR Medical University (<http://web.tnmgrmu.ac.in/>) has granted affiliation to Nichi-In Centre for Regenerative Medicine (NCRM), Chennai to start a two year full time Masters in Science (M.Sc) in Regenerative Medicine Degree Course under the Allied Health Sciences Category for the academic year 2013-14.

Regenerative Medicine is the future of Medicine and its true potential can be tapped only when there is an amalgamation of multi-disciplinary expertise and knowledge of both scientists in the allied field and the physicians of all relevant specialties. Therefore this MSc programme has been designed to impart the current knowledge and expertise on Regenerative Medicine to the Students of Basic Sciences, Medicine, Dentistry, Veterinary Sciences and allied fields and this is the first such course in this discipline in the state of Tamil Nadu.

The course will be conducted at the NCRM Campus in Chennai. Examinations will be conducted by the Tamilnadu Dr. MGR Medical University which will award the Course Completion Certificates to those candidates who complete the course successfully as per the prescribed norms and regulations. The admission to this course is based on merit.

Last Date for online submission of applications is 24th August, 2013.
